ABOUT ALS

ALS is an always fatal neurodegenerative disease in which a person's brain loses connection with the muscles. People with ALS lose their ability to walk, talk, eat, and eventually breathe. ALS usually strikes people between the ages of 40 and 70, but it can strike anyone at any time.

STATISTICS

5,000+

people are diagnosed per year in the U.S.

2-5 Years

is the average life expectancy

ALS UNITED MID-ATLANTIC

People living with ALS and their families come first in everything we do, and everything we do supports the search for effective treatments and cures for ALS. ALS United Mid-Atlantic is committed to our mission, to unite and empower the ALS community through a collaborative approach to fostering bold research initiatives, advancing national and state advocacy, and providing comprehensive care and support to individuals and families affected by ALS.

LEHIGH VALLEY ALS UNITED WALK

On Saturday, September 28, join us for the Lehigh Valley ALS United Walk at Cedar Crest College.

Fundraising through the Walk supports local patient care programs. ALS United Mid-Atlantic helps patients and their families face the rigors of ALS with strength and confidence through a full range of services that not only provide essential support but also help to ease what sometimes can become an unmanageable financial burden. For people living with ALS, your support is crucial to staying connected and involved as we work toward a world without ALS.

THE WALK FUNDS:

- Assistive Technology Program
- In-home Care and Van Transportation
- Medical Equipment Loan Program
- Monthly Support Groups
- Partnerships in ALS Multidisciplinary Treatment Centers
- And More!
